

PIX-SSD5

240 GB SSD Media

The PIX-SSD5 is a Intel 520 Series solid-state drive for use with the PIX series video recorders. Reference the instructions included on the PIX-CADDY2 for mechanical connectivity to the Caddy.

UDF Volume Formatting

Sound Devices has pre-formatted the media as a UDF volume for immediate use in the PIX recorders. This formatting is exclusive of the PIX recorders. UDF formatted media is visible in Mac OS, Windows, and Linux. See the PIX User Guide for additional information on UDF formatting.

UDF drive formatting is not compatible with Sound Devices 7-Series audio recorders.
