

MixPre-10T RECORDER | MIXER | USB INTERFACE

Welcome to the Family.

Our team takes great pride in designing the most robust, high performance, user-friendly products on the market. Our goal is to improve customer workflows with innovative audio and video products that help deliver the highest quality results, whether you are in the studio or in the field. Sound Devices products are engineered, assembled, and supported at the Sound Devices facility in Reedsburg, Wisconsin, USA. Our servicing and technical support personnel are well-versed in all of our product offerings, and are dedicated to serving our loyal customers long after a purchase.

We are here to help. If you ever have a question or concern about your new product, please don't hesitate to reach out.
